ABDULAZIZ ELYAKUB

Computer Science Graduate | Data Science | AI Evaluation | Data Analysis | Python

Kano, Nigeria | Open to graduates and entry level opportunities

Email: abdulazeezeiyakub@gmail.com | Phone: +234 [Your Phone Number]

LinkedIn: linkedin.com/in/abdulaziz-elyakub

PROFESSIONAL SUMMARY

Computer Science graduate specializing in Data Science, with foundational knowledge of Python programming, data analysis, machine learning concepts, and cybersecurity. Skilled in exploring datasets, identifying patterns, interpreting information, and creating data visualizations to support informed decision-making. Possesses strong analytical thinking, attention to detail, and problem-solving skills. Interested in AI evaluation, AI training, data annotation, data analysis, and entry-level data-focused technology roles.

EDUCATION

Bachelor of Science (B.Sc.) in Computer Science — Data Science Specialization

Vignan University, India | 2023–2026

Relevant Coursework: Data Science, Python Programming, Machine Learning, Statistics, Linear Algebra, Database Systems, Computer Networks, and Cybersecurity.

National Diploma (ND) in Computer Science

Kano State Polytechnic, Kano, Nigeria | 2018–2020

TECHNICAL SKILLS

Programming: Python, JavaScript, HTML, CSS

Data Analysis: Pandas, NumPy, Microsoft Excel, Google Sheets, Data Cleaning, Data Analysis

Data Visualization: Tableau, Power BI

AI and Machine Learning: Machine Learning Fundamentals, Dataset Analysis, AI/LLM Concepts, Data Annotation, Model Evaluation Concepts

Cybersecurity and Tools: Cybersecurity Fundamentals, Networking Basics, Git, GitHub, Jupyter Notebook, Visual Studio Code

PROJECTS

Sales Performance Data Analysis Dashboard

- Cleaned and analyzed structured sales datasets to identify trends and performance patterns.
- Created interactive Tableau visualizations and dashboards to communicate insights.
- Analyzed key performance indicators to support data-driven decision-making.

Data Science and Machine Learning Project

- Used Python and data analysis libraries to explore, clean, and interpret datasets.
- Applied foundational statistical and machine learning concepts to identify patterns and generate insights.
- Documented findings and communicated analytical results clearly.

CERTIFICATIONS

- Cisco — Introduction to Cybersecurity (Completed)
- Cisco — Threat Analysis (Completed)
- Alison — ISO 27001:2022/Amd 1:2024 Update: Information Security Management Systems (Completed)

CORE STRENGTHS

Analytical Thinking | Critical Reasoning | Attention to Detail | Data Interpretation | Problem-Solving | Research | Quality Assurance | Written Communication | Independent Work
